

# PhD Seminar Autumn Semester 2021

**Dr. Daniel Barath**  
CVG ETH Zürich (CNB G 107.1)  
[dbarath@inf.ethz.ch](mailto:dbarath@inf.ethz.ch)

# Objectives & Requirements

## Objectives

- **Present** and **discuss** current **research** being done at **IVC + DRZ**.
- **Strengthen** expertise on the field.
- **Provide** a **platform** for **collaboration** across widely different topics researched at IVC + DRZ.
- **Practice** scientific **presentations**.

## Requirements

- **PhD students** must give a 15-minutes long presentation about their **research once in a semester**
- Have **75% presence rate**
- Try to give **feedback** to **other PhD students**, specially if the research is related to your own
- Try to **put effort** on your **presentations**

# PhD Seminar Format

- **First sessions:** post-doc/senior PhDs and researchers present their research and current projects first
  - Check CVG website for list and talk titles
- Your **presentation topic** could be:
  - **Current** project;
  - **Previous** research;
- **Presentations** will be **20 minutes** + questions
  - **Two** PhD students per session
  - I will send an **e-mail** for **divulcation** to **IVC + CGL**
  - Send **abstract** and **title one week before** your presentation
